

TQ23B6003 – Special Conditions

Conditions for Sale/Scrap of Vehicles

1. The Buyer's quote shall include the removal and return of the following items from the vehicles: the Client's current livery/stickers, the Client's in-vehicle cameras and the Client's vehicle tracking equipment.
2. The Buyer may view the vehicles before the submission of quote, however, the Client will not provide the services of start engine and video footage of the vehicles.
3. The Client will not replace any missing vehicle parts and the sale of the vehicles will be as per the condition at the time of the tender.
4. **For Scrap vehicles**, please provide the lead-time that the Client will receive the shipping certificates for all the vehicles.
5. Quote provided needs to be valid for 3 months.
6. After the confirmation of award to the Buyer, the Buyer shall make payment to the Client via a cashier's order or a cheque made payable to the Client. The Buyer shall bear all charges, including bank charges relating to the issuing of the cashier's order or cheque.
7. The Buyer shall wait for the Client to confirm that all payments have been cleared and received before commencing the collection of the vehicles. For avoidance of doubt, no collection of vehicles will be allowed if payments are not in proper order.
8. The Buyer shall provide his/her own means of transport and equipment for the proper collection of vehicles, without disassembling or removing the vehicles other than the complete units.
9. Upon the collection of the purchased vehicles, the Buyer shall take a photo of the purchased vehicles and send the photo of each vehicle to the Client.
10. The Buyer shall remove the Client's logo from the vehicle and apply a fresh coat of paint to the vehicle before the vehicle can be driven on the road. For avoidance of doubt, the Buyer shall not drive the vehicle with the Client's logo and/or paintwork on the road.
11. For viewing enquiries, please contact Ms Lucy Chin at 91014602.
